ALSA, ALWAYS BE ONE!

ALSA LOCAL CHAPTER UNIVERSITAS SRIWIJAYA

Opening Remarks

Warmest greetings to the ALSA family of Universitas Sriwijaya!

Every ALSA chapter has its own story. Behind every position, every program, and every achievement are people who chose to spend a part of their time serving something bigger than themselves. This is what I have always cherished about ALSA; the opportunity to meet people who may come from different places and backgrounds, yet share the same desire to learn, to serve, and to grow together.

We join ALSA for different reasons, but we stay because of the people.

As you continue your ALSA journey, I hope you make the most out of it; not just by learning and taking on new challenges, but also by enjoying the little things along the way. Meet new people, make new friends, try things you have never tried before, and most importantly, have fun! Your time in ALSA goes by faster than you think, so make the most of every moment and every person you meet.

And when the term finally comes to an end, I hope you look back with a smile and think, "*That was one unforgettable chapter of my life.*"

From the ALSA International Board, thank you for being a part of our family. Your chapter is one of the many stories that make ALSA what it is today, and I look forward to seeing the stories you will continue to write together.

May this Organizational Profile preserve not only the names and accomplishments of your term, but also a relevant part of the journey you shared; the friendships you made, the challenges you overcame, and the memories you created along the way.

Because one day, when our terms are over and our titles are left behind, **what will remain is the impact we made and the people whose lives we became a part of.**

Keep learning. Keep serving. And above all, keep looking out for one another.

May ALSA, Always Be One!

Zeno Marvanne Espada

President of ALSA International 2026/2027

About ALSA LC Unsri

The establishment of ALSA LC Unsri stems from the need to build international networks and foster a shared understanding among law students across the ASEAN region. In 1999, the Faculty of Law at Universitas Sriwijaya received an invitation to attend the ASEAN-level ALSA Regional Conference at Universitas Indonesia (UI) in Jakarta. The university was represented by Dr. Mada Apriandi Zuhir, S.H., M.CL., and Dr. Meria Utama, S.H., LL.M., who became the primary pioneers behind the founding of ALSA LC Unsri. This journey reached a major milestone on March 21st, 2001, at the 8th ALSA National Conference at Universitas Padjadjaran (Unpad) in Bandung, where Universitas Sriwijaya was officially designated as a Local Chapter of ALSA Indonesia.
